3. Account

3.1 Fusion Markets will establish one or more Accounts in respect of the Financial Products or financial services it provides to you. An Account may comprise one or more sub-accounts (each referred to as a Trading Account), including sub-accounts relevant to Financial Products or financial services provided by more than one Fusion Markets entity. Transactions entered into by you pursuant to these terms will be recorded in the relevant Account or sub-account established by Fusion Markets for that Financial Product or financial service. Unless you have specifically requested Fusion Markets to open separate Accounts, you will be taken to have only one Account, with Transactions in respect of each Financial Product or financial service provided to you being recorded in a sub-account of that Account.

3.2 The calculations, reporting and administration may be performed by Fusion Markets separately for each Account or sub-account, so that (without limitation):

a) Margin calculations may be managed and enforcement action may be taken for each Account or sub-account separately;

b) Fusion Markets may at any time aggregate one or more Accounts or sub-accounts (for reporting or managing Margins or otherwise for the purposes of these terms), even if you cannot immediately access reports for aggregated Accounts or subaccounts.

3.3 Fusion Markets may set off any amount owing by you (including any negative balance in one or more Accounts or sub-accounts) against any amount Fusion Markets owes you in any other Account or other sub-account, without notice. Fusion Markets may choose, in its absolute discretion, which Financial Products, cash, or account balance or other property to apply to offset the debt. For the avoidance of doubt, this right of set off (and other rights of set off under these terms) apply in respect of rights and obligations across more than one

Account or sub-account even if the Fusion Markets entity in respect of those Accounts or sub-accounts are different. You agree that Fusion Markets may apply the set off as among one or more Accounts including any sub-Accounts, before Default and on and following Default.

3.4 The Overall Balance of your Account or sub account may reflect any such aggregation or set off any debt or other amount owing from time to time.

3.5 All Accounts and sub-accounts will be denominated in Australian dollars unless we agree with you that one or more Accounts or sub-accounts may be denominated in a foreign currency. You may only instruct Fusion Markets to effect a Transaction denominated in another currency if you have established a relevant Account or sub-account denominated in that currency. Fusion Markets will not convert any Transaction or any Account or sub-account balance from one currency to another without an express instruction from you to do so.

3.6 You must maintain Margin in the currency of the relevant sub-account, even if Fusion Markets converts that Margin into Australian dollars for the purposes of managing reports about your Accounts. The conversion for reporting will be at the rate determined by Fusion Markets and that rate will not represent any actual conversion or agreed rate for actual conversion.

3.7 You must maintain Margin for Foreign Exchange Transactions in the Term Currency. If you do not have Margin in the Term Currency in your Account (or relevant sub-account) or your Account (or relevant sub-account) has a negative account balance in the Term Currency but you have sufficient funds in another currency (at the current market rate), Fusion Markets may allow those other funds to be used to offset the required Margin. Fusion Markets may withdraw that permission at any time, without reason or prior notice to you.

3.8 A client may be comprised of two or more persons. If the client is comprised of more than one person then the Account will be deemed to be held by the persons as joint tenants despite any actual or constructive notice to Fusion Markets of any partnership or other agreement between the persons. The joint holding will be only be deemed not to be held as joint tenants if Fusion Markets expressly agrees that in writing that the persons consisting the client hold the Account as tenants in common in equal shares or by a court determination of that it is not held as joint tenants.

4. Calculations and Valuations

4.1 The Overall Balance of an Account will be determined by Fusion Markets on the basis of:

- (a) Transactions, including rolled Transactions;
- (b) Transaction Fees;
- (c) Margin payments received and credited;
- (d) Unrealised Profit & Loss;
- (e) Finance Charges (including interest on any account balance, forward and rollover fees components); and
- (f) any other fees and costs.

4.2 Fusion Markets may from time to time calculate and report the Liquidated Value. The Liquidated Value is an indicative value of an Account calculated by Fusion Markets for the Account. It takes into account (among other things, without limitation):

- a) Finance Charges (whether or not accrued and payable);
- b) an estimate of the cost of closing Transactions by termination or Close Out; and
- c) payment or credit to you to reduce your Margin cover.

4.3 The Liquidated Value may also be reported as the “cost to close” a Transaction, according to the type of Transaction or the method of dealing.

4.4 Fusion Markets may from time to time calculate and report the Withdrawable Funds for an Account. The value of the Withdrawable Funds is the amount calculated by Fusion Markets as the total amount of cash which would be paid to you (and debited from the cash balance of the Account) if requested. The amount is subject to final adjustment by Fusion Markets at any time including immediately after payment of cash to you for appropriate reflection of the total value of the Account, including changes in value or level of Underlying Securities, interest rates, currency rates, and unposted (or unreported) but accrued Finance Charges or Transaction Charges. Withdrawable Funds may also be reported as the “cost to close” a Transaction, according to the method of dealing.

4.5 Fusion Markets may from time to time calculate and report the Unrealised Profit & Loss for an Account (Unrealised Profit & Loss). Unrealised Profit & Loss is the indicative amount of net profit or loss of an

Account calculated by Fusion Markets (including by On-line Services) by reference to prevailing market prices and so:

- a) may be adjusted by Fusion Markets at any time without notice; and
- b) is not definitive and so does not assure you that the Transactions in that Account will have that value if actually terminated or sold at that particular time or at a later time.

4.6 Terms and expressions used in these terms for reporting and calculating amounts may differ from time to time from terms or expressions used in On-line Services usage or desk usage or market practice. You should have regard to the statements, Confirmations, guides and dealing practices used from time to time.

4.7 If the composition or calculation of an Underlying Security is adjusted by its issuer, regulator or sponsor, Fusion Markets will make such adjustment to the Transaction at the time determined by Fusion Markets which reasonably preserves the intended economic effect of the Transaction, but without being obliged to consider your particular circumstances or any adjustments made by any other Market Participant. Fusion Markets need not give notice of the adjustment. If the Underlying Security becomes subject to a take-over bid, a take-over offer, scheme of arrangement or other mechanism for change in control, then Fusion Markets may elect to Close Out the Transaction on a new Closing Date determined by Fusion Markets.

4.8 For CFD Transactions, ordinarily the Long Party will be credited with an amount equal to the gross unfranked amount of any dividend payable to the Holder of the Underlying Security (as determined by Fusion Markets) and the Short Party will be debited with an amount equal to the gross unfranked amount of any dividend payable to the Holder of the Underlying Security (as determined by Fusion Markets).

5. Orders

5.1 You may from time to time place Orders with us to enter into Transactions. Subject to these terms, we will execute your Orders (or will instruct third parties to execute your Orders) with you as principal.

5.2 We will use our reasonable endeavours to execute your instructions. Without limiting clause 13, we will not be responsible for delays or errors in the transmission or execution of your instructions (except to the extent that responsibility cannot be excluded by law).

- 5.3 We may refuse to accept an Order and we may place a limit on any Order or place other conditions on the receipt of instructions or Orders, in our absolute discretion and for any reason. We may at any time use, add and change filters within a trading system which prevent delivery of Orders or execution of Orders. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or a direction from a regulatory authority from notifying you.
- 5.4 We may cancel or amend an Order:
- (a) if required by a relevant Financial Market or CS Facility or Applicable Law to do so or if a Hedge Counterparty is required to do so in respect of its hedge which corresponds with the Hedge Contract corresponding with your Transaction;
 - b) in the event of an error;
 - c) if we consider the cancellation appropriate, having regard to the desirability to maintain a fair and orderly market, our obligations as the holder of an Australian financial services licence or as a participant or user of the relevant Financial Market and our other legal and regulatory obligations; or
 - d) if the Financial Product the subject of the Transaction has been subject to a trading halt on a Financial Market and you have not reconfirmed instructions.
- You acknowledge that an Exchange has a range of powers, including the power to cancel or amend a Transaction. This power can be exercised without your permission or our agreement.
- 5.5 We will make reasonable efforts to effect any instructions to cancel or amend Orders as quickly as possible. If, however, an Order is filled prior to a cancellation or amendment instruction being effected, you are obliged to accept the Transaction on the original terms prior to your amendment or cancellation instruction, unless the Transaction is itself cancelled or amended.
- 5.6 We may execute Orders for you even in circumstances if we or our associates:
- a) hold a principal position or deal in the relevant Financial Products;
 - b) provide similar services to other persons in relation to the relevant Financial Products;
 - c) have material price sensitive information relating to the relevant Financial Products if the individuals processing your Order are prevented from knowing or taking into account such information (including, but not limited to, by reason of procedures known as “Chinese walls”); or
 - d) have a potential conflict of interest or duties including, for example, a conflict of interest of which you are not aware and which we are unable to disclose to you.
- 5.7 Notwithstanding any rule of law or equity to the contrary, Fusion Markets is not disqualified from contracting with any person and no contract, transaction or arrangement in which Fusion Markets is in any way interested is avoided or rendered voidable by virtue of your agreement with us, a Transaction or any Market Agreement. Fusion Markets is not liable to account to you for any profit realised by any such contract, transaction or arrangement in connection with these terms, a Transaction or a Market Agreement. Fusion Markets is not required to make any disclosure to you concerning any such contract, transaction or arrangement.
- 5.8 We and our related bodies corporate may enter into Transactions with you as principal, whether in respect of Financial Products able to be traded on a Financial Market or in respect of over-the-counter Transactions such as Derivatives or Foreign Exchange related Transactions. If permitted by law and the Rules, we or an associate may take the opposite position in a Transaction with you. Your Orders may match opposite Orders of another person who is our client, and this may entitle us to receive commission from both sides of the Transaction. Similarly, if we deal as principal, then your Orders may match opposite Orders entered by us as principal or as agent for others and you authorise us to charge you commission in respect of your Transaction in those circumstances.
- 5.9 You are aware of and acknowledge the right of Fusion Markets and its related bodies corporate, directors and employees, either on their own account or on behalf of other clients or persons, to deal in any Transaction or take the opposite position to you in Transactions, if permitted (or, if not expressly permitted, then if not prohibited) to do so by the Financial Products Law and the Rules.
- 5.10 Unless otherwise specified in these terms, all Orders will remain open until either cancelled by you or purged by the trading system or the On-line Service for the relevant Financial Market. An Order or unfilled part of an Order will be purged from the date of the Order entry or such earlier time as determined by Fusion Markets without having to notify you of that. Once an Order has partially

traded, only the remaining volume can be cancelled and you remain liable for the volume traded. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.

5.11 If a security code or identifier changes, you are responsible for replacing all live and contingent Order codes with the new relevant security code or identifier. We will not be responsible for any live or contingent Orders with the incorrect security code or identifier.

5.12 You must not instruct us to submit an Order to enter into a Transaction which would breach or cause us or any other person to breach the Financial Products Law, the Rules or any other Applicable Laws including, without limitation, any law or the Rules in relation to:

- a) market manipulation, false trading, market rigging, fictitious transactions, wash trading or matching of Orders;
- b) insider trading;
- c) short selling;
- d) creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market;
- e) misleading or deceptive conduct.

5.13 Your instructions to Fusion Markets to enter into a Transaction, your Order to Fusion Markets to enter into the Transaction and the Transaction remains valid and enforceable against you, without affecting your other liability to Fusion Markets even if you (or your Authorised Person) are not authorised by your own rules (such as a corporate or trust constitution or an investment management agreement).

5.14 You agree not to make any Claim against Fusion Markets for any Loss incurred or suffered by you which arises, directly or indirectly, whether reasonably foreseeable or not, in connection with the exercise of any power by an Exchange pursuant to the Exchange Rules (whether or not directly affecting a Hedge Contract corresponding with your Transaction).

6. Fees, charges and costs

6.1 You must pay to us or as we direct:

Any amount, rate or formula which is to be specified by Fusion Markets may be specified in a PDS, FSG, a supplementary disclosure document or in any other permitted way of notifying you. The amount of brokerage, Transaction Fees or other amounts payable by you to Fusion Markets in respect of any Transaction will be set out in the Confirmation of that Transaction.

6.2 Fusion Markets may receive commissions and other benefits from other parties in relation to Transactions Fusion Markets enters into with you or in connection with other services provided to you including for example, commissions or benefits from the operator of any bank account or the issuer of various Financial Products. Fusion Markets is entitled to retain such commissions and benefits.

 - (c) withdraw from the Client Moneys Trust Account and pay ourselves the amount of any other amount reimbursable in accordance with these terms;
 - d) deduct from the Account any amount reimbursable in accordance with these terms.
- 6.7 You must reimburse Fusion Markets for all fees (both direct and indirect) and expenses charged in connection with any Transaction (other than Tax on the income of Fusion Markets) and for all costs and expenses incurred by Fusion Markets in implementing these terms and in enforcing its rights under these terms (including its legal costs of external or internal legal advisers on a full indemnity basis).
- 6.8 The rolling of a Transaction to a forward date (regardless of whether the existing or new position is a spot or forward position) is a new Transaction. A Transaction Fee is payable in respect of each Transaction.
- 6.9 Fusion Markets may charge a Finance Charge on an Account at any time chosen by Fusion Markets, such as (without limitation):
- a) either immediately at the time of entering into the Transaction;
 - b) at day's end, or month's end;
 - c) at a rollover of the Transaction;
 - d) at end of the Transaction; or
 - e) at any other time after entering into the Transaction.
- 6.10 You remain liable to pay the Finance Charge even though:
- a) the charge may be called other things from time to time, even across different Accounts at the same time;
 - b) the charge is not stated on a statement for an account or interim confirmation for a Transaction;
 - c) the charges differ according to whether the Transaction was made offline or on-line;
 - d) the charges differ according to the amount of the Account, regardless of the amount or value of the Account;
 - e) different rates apply at the same time to other clients' accounts;
 - f) the charge is applied at rollover but is not levied or enforced until termination of the Transaction;
 - g) the Transaction is denominated in a currency other than Australian dollars or the Term Currency;
 - h) the rates will be as determined by Fusion Markets in its absolute discretion
- 6.11 The Finance Charge may be an amount owing by you to Fusion Markets or, if applicable, by Fusion Markets to you, in respect of a Transaction, and may be applied from day to day or at other times determined by Fusion Markets. The rate payable by Fusion Markets to you on a Finance Charge may be less than the rate for a Finance Charge payable by you to Fusion Markets. The net Finance Charges payable by you to Fusion Markets will take into account the accumulated Finance Charges for a Transaction and the aggregate Finance Charges for an Account.

6.12 If Foreign Exchange Transactions are “rolled over” or “swapped”, you will be charged or will be entitled to receive a Finance Charge at the daily rollover rate determined by Fusion Markets. The rollover rate is the interest rate differential between the two applicable currencies. The Finance Charge ordinarily is calculated and applied by way of being added to the Transaction amount (“forward points”) which will therefore vary depending on a number of factors including (but not limited to):

- a) the currency pair you are trading;
- b) the applicable interest rates in the interbank markets according to the period of the rollover that is the interest rates offered for each currency pair (paid or earned);
- c) the size of the Transaction;
- d) the standard Fusion Markets fees that may apply;
- e) other factors, all as determined by Fusion Markets in its absolute discretion.

6.13 The forward points can either be:

- a) accumulated as an offset to your Account balance and will be directly debited or credited to your Account balance on settlement date; or
- b) reflected in the Price at which the Open Contract is rolled forward, that is, it is included in the Price (or rate at which the contract is rolled) and debited or credited to your Account balance on its settlement date.

7. Client Moneys

7.1 Fusion Markets must deal with any money and property which you pay or give to, or which is otherwise received by Fusion Markets in connection with financial services provided by Fusion Markets, in accordance with the Financial Products Law, Applicable Laws and Rules. For example, Fusion Markets may be required to pay such moneys into a Client Moneys Trust Account which complies with the requirements of the Financial Products Law. You acknowledge that:

- a) your moneys and the moneys of other clients of Fusion Markets may be combined and deposited by Fusion Markets in a Client Moneys Trust Account;
- b) all moneys credited to a Client Moneys Trust Account maintained by Fusion Markets to comply with or for the purposes of the Financial Products Law may be used by Fusion Markets for purposes

unrelated to your Account to the extent permitted by the Financial Products Law. With respect to Transactions in Derivatives, Fusion Markets is permitted by law to use any or all moneys to which you are otherwise entitled in any Client Moneys Trust Account maintained by Fusion Markets to meet obligations incurred by Fusion Markets in connection with margining, guaranteeing, securing, transferring, adjusting or settling dealings in Derivatives by Fusion Markets, including dealings on behalf of other clients of Fusion Markets.

7.2 You authorise and direct Fusion Markets to withdraw any or all moneys to which you are otherwise entitled in any Client Moneys Trust Account maintained by Fusion Markets to meet any liability, obligation or other Loss which you owe to Fusion Markets including to pay for your Financial Products (including payment for Margin).

7.3 You acknowledge that Fusion Markets is entitled to be paid from those moneys to which you are otherwise entitled in any Client Moneys Trust Account maintained by Fusion Markets an amount sufficient to meet any liability, obligation or other Loss which you owe to Fusion Markets.

7.4 If you pay moneys into any Client Moneys Trust Account maintained by Fusion Markets in anticipation of you creating and meeting any liability, obligation or other Loss which you will owe to Fusion Markets including to pay for your Financial Products (including payment for Margin) before that liability or obligation has arisen, by these terms you authorise and direct Fusion Markets to withdraw those moneys to pay Fusion Markets on the basis that the paid amount must be credited to your Account. Your payment into the Client Moneys Trust Account will be deemed to be subject to this direction unless you tell Fusion Markets otherwise. You agree that these terms are a sufficient written direction for the purposes of authorising and directing Fusion Markets to make the withdrawal on these terms, subject to any other written direction you give Fusion Markets from time to time.

7.5 Fusion Markets is not liable to you for the performance by the third party who receives the benefit of the payment of your funds. In particular, without limitation, Fusion Markets is not obliged to enquire into:

- a) the use of those funds by the third party;
- b) any persons to whom the third party pays all or any of these funds;
- c) the solvency of any of those persons;

d) the compliance by any of those person with the Financial Products Law, Applicable Laws and Rules;

e) whether any of those persons hold any part of these funds on any nominee, segregated account, trust or any other basis for your protection or security.

- 7.6 You agree that Fusion Markets is entitled to all interest earned on moneys credited to a Client Moneys Trust Account unless you and Fusion Markets have otherwise agreed in writing.
- 7.7 The proceeds of a Transaction or other moneys to which you are entitled under these terms and which is under the control of Fusion Markets will be paid directly to you and not to any third party, unless you have otherwise instructed us to do so and we agree to that. You must provide relevant account details for payment instructions in respect of payments to be made by Fusion Markets to you. Although Fusion Markets will take reasonable steps to comply with your payment instructions, Fusion Markets accepts no responsibility for any failure to comply with those instructions and, if such failure occurs, the relevant moneys will continue to be held by Fusion Markets in accordance with the Financial Products Law and Applicable Laws.
- 7.8 All currency exchange risks regarding any payment instruction or any Order or Transaction entered into or arranged for you by Fusion Markets is your responsibility. Any conversion from one currency to another required to be made for performing or executing any payment instruction, Order or Transaction may be effected by Fusion Markets in the manner and at the time and at the exchange rates that Fusion Markets, in its absolute discretion, decides.

8. Settlement of Transactions

- 8.1 The date and time for settlement of a Transaction is the date and time specified on the relevant Confirmations
- 8.2 Before placing an Order with us to purchase Financial Products or to enter into a Transaction which requires you to pay an amount of money to settle the Transaction, you must, if required by Fusion Markets, ensure Fusion Markets is able to access cleared funds in a Client Moneys Trust Account or through a margin lending facility either provided by us or by another provider acceptable to us, sufficient to cover that amount, any fees (including our brokerage), Finance Charges, Transaction Fees and any other amounts required to meet your obligations in respect of the Order. If that requirement is imposed by Fusion Markets,

from the time of placing the Order you may not withdraw from the Client Moneys Trust Account money required to settle the Transaction and you acknowledge that we may take steps to ensure that does not happen. We are not required to issue to you any Financial Products until we have received payment in full for the relevant Transaction.

- 8.3 The proceeds of a Transaction to which you are entitled under these terms and which are under the control of Fusion Markets will be paid in accordance with Applicable Laws and these Terms.
- 8.4 You authorise us:
- a) to appropriate any credits, payments receipts or amounts to which you are entitled (including moneys to which you are otherwise entitled in any Client Moneys Trust Account); and
 - b) to set off those credits, payment, receipts or amounts against any amount due or owing by you to us.

9. Failure to Settle

- 9.1 If you fail to make payment, deliver any documents, security holder information or property to us in accordance with the relevant Confirmation and these terms, we may do one or more of the following:
- a) pass on to or charge you all costs incurred by us as a result of that failure;
 - b) charge an administration fee calculated by reference to the additional cost which we estimate has been or is reasonably likely to be incurred by us as a result of your failure to settle (even though we have not yet incurred that additional cost at the time of charging you for that);
 - (c) charge interest at the Base Rate plus 4% per annum on any debit balances resulting from your failure to settle any Transaction;
 - d) charge interest at the Base Rate plus 4% per annum on any other amount you owe which is outstanding from time to time;
 - e) sell any Financial Product or other property at a time, manner and price on your behalf at your risk and expense and apply the proceeds to reduce your liability to us and to recover our costs in so acting;
 - f) sell any Financial Product or other property that we otherwise hold on your behalf at a time, manner and price on your behalf at your risk and expense

and apply the proceeds to reduce your liability to us and to recover our costs in so acting;

g) apply any cash held by us or to which we have access, or payments received for or from you, whether held in a Client Moneys Trust Account or otherwise, to reduce your liability to us;

h) cancel any of your unexecuted Orders; and

i) exercise any other powers under these Terms.

9.2 Without limiting clause 13, you are responsible for and must indemnify us against all costs (including legal costs on a full indemnity basis), expenses, damages and Losses arising in connection with any failure by you to settle an executed Transaction including, but without limitation to, any consequential loss, brokerage, stamp duty, Taxes, penalties, interest and legal costs. You must pay or reimburse us any amount covered by the indemnity in this clause 9 immediately upon demand. We may deduct any of the amounts contemplated in this clause 9 (and any GST) from any sale proceeds or other amounts otherwise payable to you.

10. Cancellation of Transactions

10.1 Applicable Laws may give the operator of a Financial Market or CS Facility the power to cancel, amend or require the cancellation or amendment of a Transaction. If Fusion Markets determines that affects the Hedge Contract corresponding with your OTC Financial Product, Fusion Markets cancel or amend your OTC Financial Product without your permission.

10.2 You authorise us, and agree that we may, without your consent, cancel or amend (or request or agree to the cancellation or amendment of) any Transaction:

a) if a Financial Market or CS Facility exercises any power under their respective operating rules to cancel or amend (or require the cancellation or amendment of) a transaction that corresponds with your OTC Financial Product;

b) in the event of an error (if relevant, as defined in the Rules of the relevant Financial Market) or otherwise in circumstances required or contemplated in the Rules or by Applicable Laws; or

c) if we consider the cancellation appropriate, having regard to the desirability to maintain a fair and orderly market and our obligations as the holder of an Australian financial services licence or

as a participant or user of the relevant Financial Market and our other legal and regulatory obligations.

10.3 Your obligations under these terms in relation to the settlement of a Transaction which is cancelled in accordance with this clause cease to apply in respect of that cancelled Transaction from the time it is cancelled (whether or not we or someone on our behalf has given you a Confirmation in respect of any affected Transaction).

11. Margin Cover

11.1 You agree and acknowledge with each of the following:

a) Margin cover refers to the amount paid or payable to Fusion Markets as it requires and which is credited to your Account (or to a Trading Account). The minimum amount of the Margin is determined by Fusion Markets in its absolute discretion.

b) A Margin payment is the amount you pay Fusion Markets for crediting your Account (or Trading Account) as Margin cover.

c) You must maintain at least the amount of Margin cover specified by or on behalf of Fusion Markets from time to time, as required by Fusion Markets, including those imposed by the requirements of On-line Services made available by Fusion Markets to you, whether or not Fusion Markets gives any notice to you to make those payments or you have actual notice of the required amount. The required amount of Margin cover can change continuously and can change automatically, including over the week-end or other non-trading days. Your obligation to maintain at least the required amount of Margin cover is continuous.

d) You have an obligation to satisfy a Margin call (in addition to your obligation to maintain Margin cover) within the required time by any combination of Closing Out positions or making payments (or both) as accepted by Fusion Markets, in its absolute discretion. The minimum amount of the Margin call will be determined by Fusion Markets in its absolute discretion. The payments to be made towards satisfying a Margin call must be made, as specified by Fusion Markets from time to time to a Client Moneys Trust Account and then dealt with in accordance with these terms.

e) Margin calls may be made by any means of notice permitted by these terms, including by telephone

call to you or your Authorised Person or by way of the On-line Service (even if you do not access your Account during the time the Margin call requires payment). You acknowledge that it is fundamental that you remain contactable by Fusion Markets at all times by Fusion Markets using the contact details you give Fusion Markets from time to time and that your failure to be contactable or to receive notice of a Margin call at any contact address you give does not affect the validity of the Margin call or your obligation to satisfy it.

f) If no other time is stipulated by Fusion Markets for when you must satisfy the Margin call then you must comply within 24 hours of the Margin call being made, even if you have not received it or are actually aware of it and even if the time of making the Margin call or the time for satisfying it are outside of normal working hours of a Business Day. You acknowledge that Margin calls may be payable immediately if required by Fusion Markets.

g) If you fail to satisfy the Margin call by the required time, then Fusion Markets may (without prejudice to any other rights or powers under these terms) in its absolute discretion, and without creating an obligation to do so, Close Out, without notice, all or some of your Transactions, whether or not those Transactions caused the need for more Margin cover.

h) The time for your payment to maintain Margin cover and to satisfy any Margin call is of the essence.

i) Your obligations to maintain Margin cover and to satisfy Margin calls arise at the time the Transaction is executed irrespective of the time any later Margin call is made.

j) It is solely your responsibility to monitor and to satisfy all Margin cover and Margin call obligations, whether or not a Margin call is notified to you.

k) A Margin payment is credited by Fusion Markets at the time cleared funds have been received and credited to the account nominated by Fusion Markets or such earlier time as allowed by Fusion Markets, so a Margin cover requirement or a Margin call for a CFD or other OTC Transaction issued by Fusion Markets is not satisfied unless and until your payment is received in cleared funds from the Client Moneys Trust Account as required by Fusion Markets. Credit for the Margin payment in respect of any Financial Product issued to you by Fusion Markets as principal to you means that you have paid Fusion Markets and the cash balance of

(l) Without limiting any other right of Fusion Markets, in respect of any Financial Product issued to you by Fusion Markets acting as principal to you, you authorise and direct, by these terms, that all of the funds which you deposit into the Client Moneys Trust Account be immediately withdrawn and paid to Fusion Markets for its own account, towards satisfying your obligations to pay Transaction Fees, Finance Charges, to pay Margin to maintain Margin cover and to meet Margin calls and to pay all other amounts owing under these terms, even if:

1) your payment (after deduction for Transaction Fees, Finance Charges and other amounts owing) is in an amount less than or more than the amount required to satisfy a Margin call or to maintain the total amount of required Margin cover;

2) more than one Margin call is made after your payment to a Client Moneys Trust Account;

3) the required amount of Margin cover reduces after your payment to a Client Moneys Trust Account;

4) there is any delay between the time you make the payment to the Client Moneys Trust Account and when Fusion Markets makes the withdrawal;

5) your purport to withdraw your authority and direction but you still have at that time an obligation to Fusion Markets to maintain an amount of Margin cover or to satisfy a Margin call which has not been satisfied; or

6) you do not tell us your intended use of the Margin cover which will be directed to your Account after your payment or you change your mind after you tell us and you deal in Financial Products for a lesser value than you told us or you do not deal.

You understand and agree that Fusion Markets may for the purposes of this clause make regular or specific withdrawals from the Client Moneys Trust Account into which your initial payment was deposited.

(m) Your liability in respect of Margin requirements is not limited to the amount, if any, initially paid to Fusion Markets for your Account. You are responsible to pay in cash any deficit owing to Fusion Markets after Close Out of a Transaction and if you default in payment of such deficit, Fusion Markets may pay the deficit out of the Account or realise any Financial Products held by Fusion Markets (whether or not by sale on any Exchange and, if so, for whatever price and at whatever time is

chosen by Fusion Markets in its discretion) and apply the proceeds against that deficit and you are responsible for the full and prompt discharge of the deficit (which exceeds the value of the Account) by making payment in full to Fusion Markets immediately that deficit arises.

settlement date is deferred to a Business Day to be agreed between Fusion Markets and you (and failing agreement by 5:00 p.m. on the Business Day immediately prior to the then applicable settlement date as agreed previously, it will be the following Business Day); and

11.2 Fusion Markets may make Margin calls more frequently than daily and you must fully and punctually comply with such calls.

d) to Close Out the Open Transaction and enter into a new Transaction for the same Underlying Security and being the same bought or sold position except that the settlement date is to be one Business Day later and adjusted for any interest differential.

11.3 Fusion Markets may (without notice to you) Close Out, but will not be obliged to Close Out or to attempt to Close Out, some or all Open Transactions, at that time or any later time as Fusion Markets determines (whether in its discretion or by automatic trading platform management) if:

12.2 In respect of each Open Transaction, subject to:

n) on any day on which you have an Open Transaction, the value of the Account and any other Margin paid by you under these terms does not exceed the required Margin cover; or

a) prior Close Out of that Open Transaction; or

b) the express agreement pursuant to clause 12.3 to settle that Open Transaction, Fusion Markets is by these terms instructed:

o) you fail to make a Margin payment by the due date and time, which may be immediately the call is made; or

c) to vary the Open Transaction (in which case it will be deemed to be a new Transaction) so that its

p) at any time, and from time to time, Fusion Markets determines that the value of all of your Open Transactions (and not taking into account any cash balance in your Account) represents a substantial net unrealised loss to you such that, in Fusion Markets' belief, the continued trading, or failure to Close Out, one or more of your Open Transactions will or is likely to materially prejudice your Account balance.

12.3 Subject to prior Close Out, no Transaction will be physically settled unless, in exceptional circumstances, Fusion Markets in its sole discretion gives express prior permission to you to settle the Transaction by physical settlement of the Underlying Security (but in any case physical settlement of a Futures Transaction or a Commodities Transaction will not be permitted). If Fusion Markets agrees to settle on that basis, then you must fully and punctually discharge all your obligations.

12. Settlement of Open Transactions

13. Limitation of Liability, Indemnities and Payments

12.1 If you want to Close Out an Open Transaction earlier than by other agreement with Fusion Markets, you must instruct Fusion Markets accordingly with at least two (2) Business Days' notice prior to the intended settlement date for Close Out of any Open Transaction, subject to the Rules, prevailing market conditions or as otherwise agreed with Fusion Markets.

13.1 Subject to those provisions of the Trade Practices Act 1974 (Commonwealth), the Australian Securities and Investments Commission Act 2001 (Commonwealth), the Financial Products Law, any other legislation and any other rights, duties or other obligations imposed or implied by law which cannot be excluded by agreement between the parties, to the extent each of the following is not prohibited by those laws:

12.2 In respect of each Open Transaction, subject to:

a) prior Close Out of that Open Transaction; or

a) we make no warranties either expressly or impliedly as to merchantability, fitness for a particular purpose, or otherwise (including as to accuracy, currency, availability, completeness or quality), with respect to any services we provide under these terms including, without limitation, the On-line Service;

b) the express agreement pursuant to clause 12.3 to settle that Open Transaction, Fusion Markets is by these terms instructed:

b) Fusion Markets excludes all liability in contract, tort or otherwise relating to or resulting from use of any services we provide under these terms and for

c) to vary the Open Transaction (in which case it will be deemed to be a new Transaction) so that its

any Loss incurred by you directly or indirectly, including without limitation as a result of or arising out of:

c) any inaccuracy, error or delay in or omission from any information provided to you under these terms including the On-line Service;

1) any delays or failures or inaccuracies, or loss of access to, the provision of a Service to you including, without limitation, any delay, failure or inaccuracy in, or the loss of access to, the On-line Service or in respect of the transmission of Orders or any other information;

2) any misinterpretation of your Orders or instructions which are unclear, ambiguous, or not specific;

3) any government restriction, Exchange or market rulings, suspension of trading, computer or telephone failure, unlawful access to our On-line Service, theft, sabotage, war, earthquakes, strike, force majeure and, without limitation, any other conditions beyond our control;

d) Fusion Markets is not liable in contract, tort (including negligence) or otherwise for any loss of prospective profits or expenses or special, indirect or consequential damages resulting from the supply of a Service including, without limitation the Online Service;

e) Fusion Markets makes no representations or warranties either express or implied that:

1) any Exchange System (or any part of it) or any service or any services performed in respect of it will meet your requirements or the requirements of any user; or

2) the operation of, or services performed in respect of, any Exchange System will be uninterrupted or error-free;

f) Fusion Markets is not liable for any breach of a provision of any relevant legislation, negligence, injury, death, lost profits, loss of files data or use, economic loss, loss or reputation or losses or damages incidental or consequential to the operation of any Exchange System, except to the extent that it is caused by the negligence or dishonesty of Fusion Markets or their employees, agents or representatives; and

g) Fusion Markets' liability to you is in any event limited to:

1) in the case of goods, the replacement or repair of the goods; or

2) in the case of services, the re-supply of the services, except in either case to the extent clause 14 applies.

Except in either case to the extent clause 14 applies.

13.2 To the fullest extent permitted by law, you release, discharge and indemnify and agree to keep Fusion Markets and its respective officers, employees, agents and representatives indemnified from and against all Claims arising out of:

a) any default, whether by your act or omission under these terms or any Order or Transaction;

b) any breach by you of any Applicable Law;

c) any representation or warranty made or given by you under these terms proving to be untrue or incorrect;

d) any error, omission, fraud, malfeasance, negligence, misappropriation or criminal act or omission by you or by any of your clients, employees, agents or Authorised Persons, consultants or servants;

e) any failure of any of your computer or electronic systems or networks to perform, be available or successfully transmit data to Fusion Markets, or any error or inadequacy in the data or information input into such systems or networks by you;

f) any delays in processing any Order including, for example (but not limited to), as a result of systems or market delays, or due to verification or filtering procedures or unauthorised processes, email delays or due to telephone call waiting time or adherence to internal policies and procedures;

g) anything lawfully done by Fusion Markets in accordance with, pursuant or incidental to these terms;

h) any instruction, request or direction given by you;

i) by reason of Fusion Markets complying with any direction, request or requirement of Applicable Law, any Financial Market or CS Facility, any government body or any regulatory body having jurisdiction over Fusion Markets or any Hedge Counterparty;

(j) arising from and in connection with or in any way related to Fusion Markets in good faith accepting and acting on instructions received by facsimile

transmission, email or by other means of any kind which are signed by or purported to be signed by you or any Authorised Person; or

(k) any failure or delay by a Hedge Counterparty to meet its obligations to Fusion Markets in respect of or in relation to (including by corresponding with) your Transactions and any payments made in respect of them.

Except only to the extent attributable to the breach of these terms by Fusion Markets or the gross negligence or fraud by Fusion Markets.

13.3 If GST is payable on a taxable supply made by Fusion Markets under, by reference to, or in connection with these terms, you must also pay the amount of GST payable in respect of that taxable supply. This clause does not apply to the extent that consideration for a supply is expressly stated to you to be GST inclusive.

13.4 You acknowledge that you are responsible for your own legal costs associated with entering into these terms and for all Taxes and expenses incurred by you in connection with these terms, including any Transaction made under it.

13.5 All payments by you under these terms are:

a) to be made without any set-off by you (unless it is the final payment owing after Closing Out all Transactions), counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of the Terms; and

b) payable in any currency that Fusion Markets may require or determine.

13.6 If:

a) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or

b) Fusion Markets is required to pay any Tax (other than income tax) in respect of any payment made in relation to these terms at your request,

then you:

a) indemnify Fusion Markets against the Tax; and

b) agree to pay to Fusion Markets an additional amount to ensure Fusion Markets receives a net amount (after payment of any Tax in respect of each

additional amount) that is equal to the full amount Fusion Markets would have received had a deduction or withholding or payment of Tax not been made.

14. Hedge Counterparties – limitation of liability and other risks

14.1 This clause 14 applies if any one or more of the following applies:

a) a Schedule states that this clause 14 applies;

b) a PDS states that this clause 14 applies or otherwise gives you notice that limited recourse applies to the Financial Products covered by the PDS; and

c) you are given notice in any other way that this clause 14 applies.

This limitation of Fusion Markets' liability and your recourse apply despite any other provision of these terms or any other agreement, arrangement or understanding and extends to all liabilities and obligations of Fusion Markets in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to the Terms and anything done or omitted to be done under them.

14.2 If this clause 14 applies, then to the maximum extent permitted by law in respect of your Financial Products, financial services, Orders or Transactions and all related obligations and liabilities of Fusion Markets to you to which this clause 14 applies (Fusion Markets Liability):

a) the Fusion Markets Liability however arising is limited to paying to you an amount equal to the Recovery Amount; and

b) your recourse against Fusion Markets is limited to seeking payment of the Recovery Amount.

This limitation of Fusion Markets' liability and your recourse against Fusion Markets apply despite any other provision of these terms or any other agreement, arrangement or understanding (written or not) and extends to all liabilities and obligations of Fusion Markets in any way connected with any representation, warranty, conduct, omission, agreement or transaction related to the Terms and anything done or omitted to be done under it.

14.3 The Recovery Amount is:

a) the amount that Fusion Markets actually receives

from, on behalf of or in respect of the Hedge Counterparty under the terms of or in respect of:

- 1) an Order or Transaction made by you; or
- 2) any Order or Transaction made by Fusion Markets with that Hedge Counterparty which, in Fusion Markets' opinion, corresponds with your Order Transaction with Fusion Markets,

and if Fusion Markets receives only a proportion of the amount due to Fusion Markets (whether for itself, as agent or in any other capacity) from, on behalf of or otherwise in respect of the Hedge Counterparty in respect of several clients or several Orders or Transactions, the Recovery Amount is limited to your pro rata portion (as determined by Fusion Markets) of the amount actually received by Fusion Markets);

b) less any amount actually paid to you in respect of termination of your Transaction with Fusion Markets.

14.4 If:

- a) this clause 14 applies;
- b) you make a claim in any way, whether directly or in any court or dispute resolution forum (your claim) against Fusion Markets to recover Loss or for any other compensation in relation to a Transaction, which Loss has arisen because or substantially due to a Hedge Counterparty failing to pay in full an amount to Fusion Markets (payment failure) and Fusion Markets relies on this clause 14 in respect of that payment failure); and
- c) Fusion Markets receives from the Hedge Counterparty an amount, or makes, or has made, a demand or claim against the Hedge Counterparty in respect of that payment failure (Fusion Markets claim),

Then subject to clause 14, Fusion Markets holds the Fusion Markets claim against the Hedge Counterparty for your benefit.

14.5 Nothing in this clause 14 affects your entitlement to moneys held by Fusion Markets for you in a Client Moneys Trust Account. You are always entitled to require payment to you of any of those moneys to which you are entitled.

14.6 Nothing in this clause 14 obliges Fusion Markets to make a demand or other claim of any kind against the Hedge Counterparty or any other person.

14.7 Fusion Markets has no liability for taking or failing to take any action in relation to any actual or prospective Fusion Markets claim. Fusion Markets is not obliged to accept any direction from you or any other person with regard to how Fusion Markets must conduct the Fusion Markets claim or negotiate any settlement. Fusion Markets may require a binding agreement to be fully indemnified, in a form satisfactory to it (including with or without security) in respect of accepting any such direction.

14.8 Fusion Markets may conduct one or more claims (for example, in connection with these terms and the terms and conditions it has with other clients) or under one or several proceedings, as determined by Fusion Markets.

14.9 Fusion Markets may incur costs of preparing for and conducting any Fusion Markets claim and defending cross-claims, including costs of legal services, experts and other agents and advisers, which costs may be apportioned by Fusion Markets across several claims.

14.10 Fusion Markets may make or accept any offer for settlement of a Fusion Markets claim which is considered reasonable, including for any amount less than the amount claimed by Fusion Markets.

14.11 Fusion Markets may withhold from settlement of any Fusion Markets claim proceeds such it amounts it determines to pay for, or to provide for payment for, costs incurred by Fusion Markets in connection with the Fusion Markets claim, including its estimate of costs of enforcing the judgments for the claim.

14.12 Fusion Markets may apply the net proceeds of settlement of any Fusion Markets claim proportionally to the balance of the unsatisfied amounts of all claims.

14.13 Fusion Markets may make a determination not to prosecute any Fusion Markets claim if it determines there are insufficient prospects of success and having regard to the estimate costs of prosecuting the claim.

14.14 Nothing in this clause 14:

- a) limits your right to make a claim against Fusion Markets for the full amount of liability which would have arisen but for this clause 14; however, the liability of Fusion Markets to you and your recourse to Fusion Markets or any assets or other property held on your behalf is limited by this clause 14;

b) limits any party in obtaining an injunction or other order to restrain any breach of these terms by any party or obtaining declaratory relief.

14.15 If any of the other parts of this clause 14 would be void, invalid or unenforceable but for this clause 14.15, the limitation of liability of Fusion Markets and your rights of recourse do not apply however, in that case the liability of Fusion Markets to the client is limited to:

- a) the supplying of the services again; or
- b) the payment of the cost of having the services supplied again.

14.16 The meaning and effect of this clause 14 are to be construed for the purposes of limiting the liability of Fusion Markets to you and limiting your recourse against Fusion Markets or any assets or other property held on your behalf, to the maximum extent permitted by law, so that Fusion Markets is only liable to you to the extent provided by this clause and Fusion Markets is not otherwise liable to you.

- 17.5 No failure by us to exercise, and no delay by us in exercising, any right, power or remedy in connection with these terms will operate as a waiver of that right, power or remedy. No single or partial exercise of any right, power or remedy will preclude any other or further exercise of such right, power or remedy or the exercise of any other right, power or remedy.
- 17.6 These Terms are not to be interpreted against our interests merely because we proposed these terms or some provision in it or because we rely on a provision of these terms to protect our interests.
- 17.7 You may not assign or otherwise transfer any of your rights under these terms to another person without our prior written consent. Fusion Markets may assign, novate or otherwise transfer any of its rights under these terms to another person without your prior written consent including, without limitation, in connection with a sale or transfer of all or part of our business to another person.

- d) A Position or Option may be Closed Out without a physical exchange of the Bought Currency for the Sold Currency and references in the definition of Position to an exchange of currency and settlement and in the definitions of Bought Currency and Sold Currency to amounts to be received by you or provided by you under a Position will be construed as if that Position were to be unwound by delivery.
- e) Notwithstanding it has an agreed Value Date, each Position continues indefinitely until it is unwound by delivery or by being Closed Out and references in the definitions of Position and Value Date to settlement will be construed as if that Position were to be unwound by delivery.

18.4 Entering into Positions and Options

a) On any Trading Day you may request Fusion Markets by telephone or otherwise to quote:

- 1) the rate at which you may enter a Position and the Initial Margin required by nominating the amount; or
- 2) the Premium at which you may sell or buy an Option and (if applicable) the Initial Margin then required by nominating whether you wish to buy or sell, whether a Put Option or a Call Option is required, the amount and currency of either the Bought or the Sold Currency, the currency against which it is to be exchanged, the Strike Price and the Expiry Date.

b) Immediately upon receiving the quote, you may by telephone or otherwise instruct Fusion Markets to arrange the entry into by you of a Position or Option equivalent to that for which the quote was sought. Receipt by Fusion Markets of your instruction will constitute an offer by you to Fusion Markets to enter into such a Position or Option.

c) Fusion Markets is under no obligation to accept your offer to enter into a Position or Option, and without limitation, is not obliged to accept your offer to enter into a Position or Option:

- 1) if you have exceeded or would exceed a limit applying to you as notified by Fusion Markets; or

d) The Initial Margin required in respect of a Position or Sold Option or the Premium required in respect of a Bought Option (if not already received from you by Fusion Markets) will be payable when Fusion Markets accepts your offer to enter into a Position or buy or sell an Option.

(e) If Fusion Markets accepts your offer to enter into a Position or Option, Fusion Markets will issue to you a written confirmation of that Position or Option promptly after it has been entered into, in the form of a deal confirmation, but failure by Fusion Markets to issue a confirmation will not prejudice or affect that Position or Option. Fusion Markets will not have any liability as a result of a failure to issue a deal confirmation. If Fusion

Markets decides not to accept your offer to enter into a Position or Option, Fusion Markets will advise you of that decision as soon as is practicable.

f) You undertake to examine the terms of each Confirmation immediately upon receipt and unless within 48 hours of issue of a written confirmation you notifies Fusion Markets of any disputed detail in the confirmation, you agree that the contents of the confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal. Upon receipt within those 48 hours of written notice as to a disputed detail, Fusion Markets will investigate the matters disputed and you will co-operate with Fusion Markets in good faith to resolve the dispute. You must, notwithstanding any such dispute, continue to satisfy your obligation to pay Margin calls made by Fusion Markets in respect of that Position or Option as if the details contained in the confirmation were correct and not the subject of dispute.

g) Fusion Markets may, in its absolute discretion, limit the value of Positions or Options you may have outstanding under these terms:

- 1) beyond which if you decide to enter into any further Positions or Options, you must seek and obtain credit approval from Fusion Markets; and
- 2) beyond which you may not enter into any further Positions or Options.

h) Fusion Markets may vary this limit at any time by notice to you.

i) You may exercise an Option by notice to Fusion Markets between the hours of 8:30 a.m. and 5:00 p.m. (Sydney time) on any Business Day until the Expiry Date for the Option. The exercise of an Option, subject to these terms, creates the rights and obligations that constitute a Position.

j) Fusion Markets is under no obligation to accept the exercise of a Bought Option until Fusion Markets has received the Premium and brokerage required in respect of the Option in cleared funds. If Fusion Markets exercises a Sold Option, it will credit the Premium to your Account.

k) You undertake to advise Fusion Markets of your intention to take delivery of the Bought Currency at the time you offer to enter into a Position or exercises an Option and you agree that if you fail to advise of such intention, Fusion Markets may, in its absolute discretion, allow you to unwind that Position or Option on terms acceptable to Fusion Markets. c) Interest payments will be settled by Fusion Markets on each day by debiting or crediting your Account with the daily interest rate differential between the amount of interest payable by you under the Position and the amount of interest payable by Fusion Markets to you under the Position. In the event that there is insufficient Excess Variation Margin in your Account, you acknowledge that any amount due under this Schedule is a debt due and owing by you to Fusion Markets.

d) In debiting or crediting interest to your Account, Fusion Markets may charge or pay you interest at a rate different to the interest rate which Fusion Markets is charged or paid on equivalent borrowings of foreign currency by a bank and may retain the difference.

a) Unless you have previously given a notice which has been accepted by Fusion Markets, you may at any time give Fusion Markets notice of your request to have all or any of its Positions or Options Closed Out. Following receipt of such a notice Fusion

Markets may at a time it chooses in its absolute discretion, enter into a matching and opposite Position or Option on your behalf. Without limiting its discretion Fusion Markets acknowledges that this may occur as soon as practicable after the later of:

- 1) receipt from you of such notice; and
- 2) any time and date specified in such notice at which you request the Close Out to occur, Fusion Markets will use its best endeavours to achieve such Close Out at the Market Rate for delivery on the later of the Value Date of the original Position and the Spot Date in respect of the matching Position.

b) The difference (if any) between the amount of the Bought Currency under the matching Position and the amount of the Sold Currency under the original Position or, in respect of an Option the difference between the Premium paid by you for the original or matching Option and the Premium received by you for the matching or original Option respectively, if positive, will be a "Realised Profit" and, if negative, will be a "Realised Loss".

c) The Closing Out of a Position or Option in accordance with this Schedule will constitute a complete discharge of all obligations of Fusion Markets and you will give or take delivery of any currency under that Position or Option and has the effect of immediately cancelling the Position or Option so that the only obligations that continue in respect of the Position or Option are those provided for under this Schedule.

d) You acknowledge that if you give Fusion Markets standing instructions to enter into a Position or Option when a particular price level is reached in the Foreign Exchange market the price at which the Position or Option is entered into might not be that exact price.

18.8 Settlement of Closed Out Positions and Option

(a) When a Position or Option is Closed Out in accordance with this Schedule which:

- 1) results in a Realised Profit, Fusion Markets will credit your Account the Realised Profit; or
- 2) results in a Realised Loss, you must pay to Fusion Markets the Realised Loss in such currency as Fusion Markets may require in cleared funds within 24 hours of being advised of the amount so payable.

b) If there is then sufficient Excess Variation Margin any amount owing by you under this Schedule may be settled in whole or in part by debiting your Account with Fusion Markets.

c) If you have requested payment of any money owed to you under this Schedule, Fusion Markets will (at its discretion) deduct that money from your Account and pay it to you by cheque or in such other manner as may be agreed between Fusion Markets and you.

d) Fusion Markets may set off any money owed to you under this Schedule against any money owed by you in respect of a Foreign Exchange Transaction. If such a set-off is made, references in this Schedule to Realised Profit and Realised Loss will be read as including the net amount of Realised Profit or Realised Loss (as the case may be) remaining after the set-off.

18.9 Revaluations

Fusion Markets may at any time, by reference to the Market Rate, revalue all Positions and Options. Such revaluation will be effected in the following manner:

a) for the purpose of this Schedule:

1) an Option created by the sale by you to Fusion Markets of a Call Option ("Sold Option") will be treated as a Position under which the amount and denomination of the currency specified in the Call Option will be regarded as that amount of currency sold at the Strike Price of the Call Option;

2) an Option created by the sale by you to Fusion Markets of a Put Option ("Sold Option") will be treated as a Position under which the amount and denomination of the currency specified in the Put Option will be regarded as that amount of currency bought at the Strike Price of the Put Option; and (iii) any other Option will be referred to as a "Bought Option";

b) in order to carry out a revaluation under this Schedule, Fusion Markets will ascertain:

1) in relation to each Position or Sold Option, the amount of the Sold Currency which could be purchased with the amount of the Bought Currency at the prevailing Market Rate; or

2) in relation to each Bought Option, the rate at which Fusion Markets would repurchase the Option;

c) if the amount calculated in accordance with sub-clause 9(b):

1) is greater than the amount of the Sold Currency under the Position or Sold Option or greater than the original Premium paid for a Bought Option, then the difference will represent an Unrealised Profit; and

2) is less than the amount of the Sold Currency under the Position or Sold Option or less than the original Premium paid for a Bought Option, then the difference represents an Unrealised Loss; and

d) the sum of each Unrealised Profit will be the "Unrealised Profits" and the sum of each Unrealised Loss will be the "Unrealised Losses".

g) Unless otherwise advised by Fusion Markets, you must make all of its payments (Client Moneys Trust Account Moneys) for FX Physical Delivery Transactions, including any payment for Margin, into the nominated trust account of Fusion Markets.

h) Unless otherwise advised by Fusion Markets, the payments to be made by you as described in clause 10(g) must be made on or before the Trade Date.

i) If Fusion Markets does not require full payment on the Trade Date, Fusion Markets may require one or more payments for Margin. The time and the amount of each Margin payment is at the discretion of Fusion Markets provided the total of all required Margin payments does not exceed the amount of Sold Currency which was agreed to be paid for the Bought Currency. It is confirmed that the Client Moneys Trust Account Moneys paid by you as Margin are beneficially held for you and may be dealt with in the same manner as Client Moneys Trust Account Moneys which were payment in full for a FX Physical Delivery Transaction.

j) Fusion Markets will not withdraw Client Moneys Trust Account Moneys unless one or more of the following applies:

18.10 Foreign Exchange Physical Delivery Terms

a) These FX Physical Delivery Terms apply to Foreign Exchange Transactions for physical delivery (FX Physical Delivery Transactions) and must be read and construed together with the remainder of this Schedule.

b) Some terms are defined in these FX Physical Delivery Terms. Any term not defined in these FX Physical Delivery Terms has the same meaning as contained in this Schedule.

c) Fusion Markets enters into an FX Physical Delivery Transaction as principal with you.

d) You must, at the time of placing an order with Fusion Markets, specify that physical delivery of the Bought Currency is required. If Fusion Markets agrees to settlement by physical delivery, the agreed Foreign Exchange Transaction will be an FX Physical Delivery Transaction on these FX Physical Delivery Terms. It is unnecessary to identify the Foreign Exchange Transaction for this purpose formally or precisely in any particular way.

e) The exchange rate and the time for physical delivery of the Bought Currency must be agreed between you and Fusion Markets. The exchange rate and the time for physical delivery of the Bought Currency described in this Schedule will be stated in a Confirmation sent to the Client.

f) A reference in these FX Physical Delivery Terms to physical delivery is a reference to settlement by payment of the required amount of Bought Currency into a bank account as agreed by you and Fusion Markets. The bank account for settlement will be the nominated trust account of Fusion Markets unless otherwise agreed by you and Fusion Markets.

1) the withdrawal is to pay costs, fees or other charges in respect of the FX Physical Delivery Transaction;

2) it has complied with its obligation to ensure physical delivery of the Bought Currency; or

3) it has notified (orally or in writing) you of the intended withdrawal prior to doing so and it may only apply that withdrawal as payment by you to Fusion Markets (wholly or partly) for the FX Physical Delivery Transaction and Fusion Markets will only do that in order to satisfy (wholly or partly, as the case may be) its payment obligations under a Hedge Contract with the corresponding Hedge Counterparty.

k) Each FX Physical Delivery Transaction is subject to the condition subsequent of settlement actually occurring. Despite agreeing to a Foreign Exchange Transaction, Fusion Markets will not be liable in any way if settlement does not occur (regardless of the reason) other than to pay you or as you direct = the Sold Currency (without any adjustment for the failure to settle).

b) Upon receiving the quote from Fusion Markets, you may offer to enter into a CFD with Fusion Markets at the price quoted by Fusion Markets.

c) Fusion Markets is not obliged to accept your offer to enter into a CFD and, without limitation, is not obliged to accept your offer to enter into a CFD:

1) if you have exceeded or would exceed a pre-determined limit imposed on you under clause 4.2(g) below; or 2i) until Fusion Markets has received from you the Initial Margin required in the form of cleared funds to enter into the respective CFD.

d) The Initial Margin required to enter into a CFD, if not already received from you, will be payable to Fusion Markets upon acceptance by Fusion Markets of your offer to enter into the CFD.

e) If Fusion Markets accepts your offer to enter into a CFD, Fusion Markets will issue to you an electronic Confirmation of the CFD entered into shortly after it has been entered into. Failure by Fusion Markets to issue a Confirmation will not prejudice or affect the relevant CFD. Fusion Markets will not bear any liability whatever resulting from the failure to issue a Confirmation. Fusion Markets will promptly advise you if Fusion Markets decides not to accept your offer to enter into a CFD.

f) You agree to examine the terms of each Confirmation immediately upon receipt and you agree that the contents of the Confirmation, in the absence of manifest error, will be conclusive evidence of the executed deal, unless within three (3) Business Days of issue of a written Confirmation you notify Fusion Markets of any disputed detail in the Confirmation received by you. Upon receipt of written notice within the three (3) Business Day period of a disputed Transaction, Fusion Markets will investigate the dispute and in co-operation with you must endeavour to resolve the dispute in good faith. Notwithstanding any such dispute, you must continue to satisfy your obligations to maintain Margin cover and to pay Margin calls made by Fusion Markets in respect of the CFD as if the Confirmation was correct and the details contained in the Confirmation were not the subject of dispute.

g) In its absolute discretion, Fusion Markets reserves the right to limit the value of CFDs you may have outstanding under these terms. If you wish to enter into any further CFDs, you must seek

19.3 Acknowledgements

In these terms you acknowledge the following in favour of Fusion Markets:

a) CFD Transactions are cash settled with no physical exchange of the Underlying Security;

b) there is no definitive time to the life of a CFD, so such a contract will continue until the Closing Date (including when the Closing Date occurs by reason of the Underlying Security expiring.

19.4 Opening and closing CFD Transactions

All CFD Transactions are entered into between you and Fusion Markets as principal. The acquisition of a CFD involves entering into, or opening, a CFD. The disposal of a CFD requires Closing Out an open CFD.

Fusion Markets will from time to time state the prices or values at which it may enter into a CFD Transaction with you, either to open or to Close Out a CFD. If you wish to enter into a CFD Transaction you may submit an Order to Fusion Markets (including by On-Line Service). Fusion Markets is not bound to enter into any CFD Transaction with you and reserves the right to state another price or value at which it may deal with you.

a) You may request on any given Trading Day Fusion Markets to quote a price at which Fusion Markets may be prepared to enter into a CFD. You

and obtain approval from Fusion Markets, beyond which you may not enter into any further CFDs whatever.

h) Fusion Markets may vary the limit imposed at any time in its absolute discretion.

If Fusion Markets enters into a CFD Transaction with you for the acquisition of one or more CFDs:

a) Fusion Markets will give you a Confirmation in respect of the CFD Transaction setting out, among other things, the number of CFDs acquired and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the acquisition of the CFD; and

b) you or Fusion Markets (as applicable), must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation.

If Fusion Markets enters into a CFD Transaction with you for the disposal of one or more CFDs (by way of Closing Out that contract):

a) Fusion Markets will give you a Confirmation in respect of the CFD Transaction setting out, among other things, the number of CFDs disposed of and the amount or amounts which you are required to pay, or are entitled to receive, in connection with the disposal of the CFD; and

b) you or Fusion Markets (as applicable) must pay the relevant amount referred to in paragraph (a) by the time specified in the Confirmation, subject to clause 15.3 of this Schedule.

Any CFD Transaction is subject to the condition subsequent that Fusion Markets is able to acquire the relevant Reference Asset or Hedge Contract as contemplated by clause 15.1. If Fusion Markets determines that it is not able to satisfy the relevant condition on terms acceptable to Fusion Markets, Fusion Markets may terminate the CFD, in which case neither you nor Fusion Markets will have any liability in respect of that CFD except to the extent Fusion Markets has a liability to you expressly stated in these terms or by Applicable Law14.

All communications, notices, offers, statements and Orders for CFDs must be made by an On-line Service unless Fusion Markets expressly agrees that they may be made by telephone or otherwise.

19.5 Settlement of Difference

a) After Close of Business on each Business Day over the term of an open CFD, Fusion Markets will determine at Close of Business the Contract Value of the CFD.

b) If the Contract Value determined by Fusion Markets in accordance with clause 5(a) above is higher than the Contract Value determined by Fusion Markets in respect of the previous Close of Business, then the Short Party must pay to the Long Party the difference.

c) If the Contract Value determined by Fusion Markets in accordance with clause 5(a) above is lower than the Contract Value determined by Fusion Markets in respect of the previous Close of Business, then the Long Party must pay to the Short Party the difference.

d) In order to determine in accordance with clause 5(b) or 5(c) the Contract Value at Close of Business on the Trading Day on which the CFD is entered into, the Contract Value will be determined by Fusion Markets using the Underlying Security Price at which Fusion Markets and you agreed to enter into the CFD.

e) If Fusion Markets determines that the Contract Value of a CFD at Close of Business cannot be determined in accordance with clause 5(a) above for any reason, the Contract Value at Close of Business will be the value determined by Fusion Markets in its sole discretion.

f) Without limiting clause 5(e), if at any time trading on an Exchange is suspended or halted in any Underlying Security, Fusion Markets will, when determining the Contract Value, at its discretion consider (but is not limited to) the last traded price before the trading suspension or halt.

19.6 Dividend Payment and Receipt

a) If you are the Long Party to a CFD, and the issuer of the Reference Asset makes a cash distribution in respect of the Reference Asset (for example, a dividend in respect of a Reference Asset which is a security), Fusion Markets will credit to your Account in respect of the CFD an equivalent amount (less any Taxes and costs) within a reasonable period following the date the cash distribution is paid in respect of the Reference Asset corresponding with your CFD being the amount that will be equal to the cash dividend payable to the holder of the Underlying Security multiplied by the quantity on the first Business Day following the ex-dividend date for the Underlying Security. Fusion Markets is not obliged to pay to you any amount under this clause (a) unless and until it receives that amount as the owner of the Reference Asset or an equivalent amount under the Hedge Contract acquired in respect of the CFD. Further, Fusion Markets is not liable to pay to you any amount in excess of the amount (less any Taxes and costs) which Fusion Markets itself receives

either as the owner of the Reference Asset or pursuant to a Hedge Contract acquired in respect of the CFD.

b) If you are the Short Party to a CFD, Fusion Markets will debit your (relevant) Account with an amount that will be equal to the cash dividend plus any imputation or franking credits payable to the holder of the Underlying Security multiplied by the quantity on the first Business Day following the ex-dividend date for the Underlying Security.

19.7 Closing out a CFD

a) At any time you may give Fusion Markets notice of your intention to close any CFD (whether in whole or part) by specifying the Underlying Security and the quantity of CFDs that you wish to close.

b) Upon receipt of notice of intent to close a CFD, Fusion Markets will use reasonable endeavours to provide a quote for the Closing Price and notify you of that quote (by telephone or otherwise). It is your obligation to notify Fusion Markets as soon as possible as to whether you are willing to accept the Closing Price quote. If you accept the Closing Price quoted by Fusion Markets, the CFD, or relevant portion of the CFD, will be closed on the Closing Date by issuing you with a CFD which is equal but opposite to the open CFD, or relevant portion of the CFD, to be closed.

c) If the Underlying Security for the CFD is on terms that provide for its redemption, exchange or termination and you do not give notice to Fusion Markets of your intention to Close out the CFD or to roll it over on terms and by the time acceptable to Fusion Markets (whether or not you have any prior notice of that), you will be deemed to have given notice to Fusion Markets to Close Out that CFD at the Closing Price reasonably determined by Fusion Markets. In this case, Fusion Markets will Close Out the CFD as at the time determined by it.

d) At the Close of Business on the Closing Date, if there is a difference between the Closing Value and the Contract Value of the CFD (or portion of it closed under clause 7(b)) it must be accounted for in the following way:

- 1) If the Closing Value is greater than the Contract Value, the Short Party must pay to the Long Party the difference; and
- 2) If the Closing Value is less than the Contract Value, the Long Party must pay to the Short Party the difference.

e) If the issuer whose security represents the Underlying Security on which all or part of a CFD is based becomes externally administered in accordance with the meaning in the Financial Products Law (or equivalent legislation), the CFD will be taken to have been Closed at that time. The Closing Price of the CFD will be determined by Fusion Markets who may consider a number of factors it deems appropriate including, for example, the last traded price of the Underlying Security.e) If the issuer whose security represents the Underlying Security on which all or part of a CFD is based becomes externally administered in accordance with the meaning in the Financial Products Law (or equivalent legislation), the CFD will be taken to have been Closed at that time. The Closing Price of the CFD will be determined by Fusion Markets who may consider a number of factors it deems appropriate including, for example, the last traded price of the Underlying Security.

f) If the Underlying Security on which the CFD is based ceases to be listed for quotation on an Exchange, or is suspended from quotation for 5 consecutive Business Days, Fusion Markets may, in its absolute discretion, without limiting clause 7(g) elect to terminate the relevant CFD. If Fusion Markets elects to do so then:

- 1) the Closing Date will be deemed to be the date which Fusion Markets determines (Early Closing Date); and
- 2) you will be treated as having given notice under clause 7(a) on the Early Closing Date.

g) If Fusion Markets determines that the Closing Value of a CFD cannot be calculated on or with effect on the Closing Date for any reason, the Closing Value will be the value determined by Fusion Markets in its sole discretion.

h) Without limiting clause 7(g), if at any time trading in the Underlying Security on an Exchange is suspended or halted at any time, Fusion Markets will, in its absolute discretion in determining the Closing Value of a CFD, have regard to (but is not limited by) the last traded price before the suspension or halt.

i) All calculations made by Fusion Markets in accordance with these terms in the absence of any manifest error will be binding on you.

19.8 Settlement of Positions

a) Payments to be made to you with respect of any CFD must be made in accordance with this clause 8.

b) If a CFD is Closed Out in accordance with clause 7 above, or settlement for difference being made in accordance with clause 5 above:

1) Fusion Markets will credit to your (relevant) Account any amount payable by Fusion Markets to you; or

2) subject to clause 8(c) below you must pay to Fusion Markets any amount payable by you to Fusion Markets in cleared funds in any such currency that Fusion Markets may require immediately upon the payment request being made.

c) If there is any free equity in your Account, any amount owing by you in accordance with clause 8(b) above will be settled in whole or in part by debiting your Account with. Fusion Markets.

d) If you request payment of any money owed to you under this clause 8, Fusion Markets will deduct the amount of the requested payment from your Account and pay you, electronically, by cheque or in any other manner as agreed. Money owed to you that has not been the subject of any payment request by you will remain in your Account.

e) Fusion Markets may offset any money owed to you under these terms or any other agreement against any moneys owed by you under these terms or any other agreement.

c) If the Underlying Security is subject to a take-over offer or similar event, Fusion Markets may at any time prior to the closing date of the offer provide you notice of Fusion Markets' intention to Close the CFD, in accordance with clause 7, with the Closing Price being the price notified to you by Fusion Markets.

d) If at any time an Adjustment Event occurs and it is not reasonably practicable as determined by Fusion Markets in its absolute discretion to make an adjustment in accordance with clause 9(a) above, then without limiting 9(a) above, Fusion Markets may at any time after the Adjustment Event give you notice of Fusion Markets' intention to Close Out the CFD. If this occurs you will be taken to have been provided with Closing Notice in accordance with clause 7 above, with the Closing Price being the price notified to you by Fusion Markets.

e) References to "offer", "take-over" and "closing date" in this clause 9(a) above will have the same meaning given to them in the Financial Products Law 2001.

19.9 Adjustment Events

a) If the Underlying Security on which a CFD is quoted is subject to an Adjustment Event or possible Adjustment Event, Fusion Markets will determine the adjustment, if any, that will be made to the Contract Value of that Underlying Security, the related quantity (or both) that would have placed the parties in substantially the same economic position they would have been in had the event not occurred. Fusion Markets will notify you as soon as practicable of the adjustment. In the absence of any manifest error any adjustment determined will be deemed to be conclusive and binding on you.

b) Fusion Markets may give you an opportunity to elect to participate in an adjustment to the CFD which corresponds with the Adjustment Event, but Fusion Markets is not obliged to give you that opportunity, or give reasonable notice of it or make its terms correspond exactly with the Adjustment Event, nor is Fusion Markets obliged to accept in part or at all any election you make to participate. Any adjustment will take effect at the time determined by Fusion Markets.

19.10 Interest on Open CFD positions

a) Finance Charges:

1) when you are a Long Party under a CFD, Fusion Markets charges you a Finance Charge by interest payments which accrue on a daily basis and are payable to Fusion Markets daily by you; and

2) when you are a Short Party under a CFD, you may be entitled to receive interest payments (which is a credit of a Finance Charge in your favour) which will accrue on a daily basis and are payable to you by Fusion Markets daily, from the date the CFD is entered into until the Closing Date.

At the interest rate and on the terms referred to in accordance with clause 10(e) below.

b) Each day Fusion Markets will make interest payments by debiting or crediting your Account with the interest rate differential between the Finance Charges (being the amount of interest payable by you under the Finance Charges and the amount of interest payable by Fusion Markets to you as a credit of Finance Charges). If you have insufficient free equity in your Account such that there is a net Finance Charge payable by you, under this clause you acknowledge that any such amount is a debt owed by you to Fusion Markets.

c) When debiting or crediting amounts of interest to your Account, Fusion Markets may charge or pay you interest at different rates and at rates that are

different from the rates which Fusion Markets is charged or is paid on equivalent borrowings from its bank or any other client or counterparty, including Prime Counterparties.

d) Fusion Markets will retain the difference between the amount Fusion Markets may charge or pay you and the amount Fusion Markets may charge or paid on equivalent or similar borrowings with its bank or counterparty.

e) The interest rate applicable under this clause is the Base Rate. The basis for charging you the Finance Charge or crediting you the Finance Charge will be as notified to you from time to time, including by a PDS or to the extent permitted, by email to you or posting the information on Fusion Markets' website or on the On-line Service which is accessible by you.

e) The Initial Margin requirement applicable in respect of any CFD may be increased by Fusion Markets in its absolute discretion in respect of the time for payment and the amount of it. In the event of such an increase Fusion Markets may require that you pay Fusion Markets additional cleared funds equal to such an increase.

f) Without affecting your obligation to maintain the required amount of Margin cover, at any time in the discretion of Fusion Markets you may be required by Fusion Markets to pay additional Margin (Variation Margin) by paying Fusion Markets cleared funds equal to the amount Fusion Markets may determine in its absolute discretion.

g) Without affecting your obligation to maintain the required amount of Margin cover, if Fusion Markets requires additional funds from you to pay Variation Margin (sometimes referred to as "calling for more Margin") or making a Margin call you must pay the amount called by Fusion Markets by the time required by Fusion Markets, which could be immediately. If no time is specified, the time specified for payment of a Variation Margin is within 24 hours of the Margin call being made, whether or not you actually receive notice of the Margin call. Failure to pay a Variation Margin will result in you being taken to be in Default under these terms. Fusion Markets may require payment within a shorter time period (for example, without limitation, when there is Unusual Volatility).

h) Your payment into a Client Money's Trust Account will not satisfy your obligation to make payment to Fusion Markets in cleared funds, even if Fusion Markets temporarily waives reliance on this term. The payment obligation is not satisfied unless and cleared funds are received for the benefit of Fusion Markets.

i) In all respects, time is of the essence for all of your payment obligations to Fusion Markets.

j) If Fusion Markets increases the required Margin cover or makes a call for more Margin, you acknowledge and agree that Fusion Markets may refuse any request by you to enter into any further CFD positions until Fusion Markets has confirmed the receipt of the payment for more Margin in the form of cleared funds.

k) Any net positive amount of Margin credited to your Account will not constitute a debt due by Fusion Markets to you. Subject to you meeting all Margin cover requirements and all Margin calls, you are entitled to be paid by Fusion Markets an amount equal to the Withdrawable Funds and, on being paid, there will be a corresponding reduction in the balance of your Account.

19.11 Margin Requirements

a) This clause 11 supplements clause 11 in the main terms of this document and only prevails over it to the extent of any inconsistency.

b) Prior to entering into a CFD with Fusion Markets you acknowledge that Fusion Markets requires you to pay cleared funds as an Initial Margin and to maintain the minimum total Margin determined by Fusion Markets in its absolute discretion from time to time. The Margin cover requirements may be determined automatically by an On-line Service. The required Margin cover may change at any time, including outside of trading hours and without prior notice to you. The amount of Initial Margin required by Fusion Markets and the time at which it is required will be at the absolute discretion of Fusion Markets. Fusion Markets is not obliged to permit any offset of any Initial Margin required by Fusion Markets.

c) All of your payments for Margin (after withdrawal from any Client Money's Trust Account) are received and held by Fusion Markets absolutely for its benefit (and not on any deposit held on trust for you). At the time your payment is credited to the benefit of Fusion Markets in cleared funds, Fusion Markets will credit your Account with the payment of the Margin by applying it to the cash balance of the Account (or Trading Account which you nominate).

d) You have an absolute obligation to maintain the amount of Margin cover required by Fusion Markets from time to time, even if Fusion Markets also calls for more Initial Margin or Variation Margin. Your failure to maintain the required margin cover is automatically a Default.

l) You acknowledge that your liability with respect to maintaining Margin cover or to pay calls for more Margin (if any) is not limited to the amount you initially or later pay Fusion Markets. You authorise Fusion Markets to withdraw or otherwise apply funds or Financial Products held on your behalf by Fusion Markets in any Account, or funds in any Client Money Trust Account, to satisfy partially or fully any liability you have to maintain Margin cover or to pay a Margin Call.

m) Fusion Markets will have sole, absolute and unfettered discretion, as to the exercise of any power or right under this clause 11, including, without limitation, the calling of Margin.

n) Any power or right exercised by Fusion Markets under this clause 11, including, without limitation, the calling of Margin, will be binding upon you.

o) Any reference to time under this clause 11 includes weekends and public holidays.

19.12 Actions Following a Default

a) Upon or after any Default occurs, Fusion Markets, without prejudice to any other rights it may have under these terms, has the right and power in its sole absolute and unfettered discretion and without necessity to give prior or any notice to you to do any one or more of the following:

- 1) in accordance with clause 16 terminate these terms;
- 2) Close Out all or any open CFD positions you may have as if you had given a Closing Notice to Fusion Markets and had accepted the Closing Price determined by Fusion Markets in accordance with clause 7;
- 3) in accordance with clause 12(d) treat all or any open CFD positions as having been terminated by you;
- 4) terminate any agreement or account whatever you have or may have with Fusion Markets;
- 5) in the event of there being insufficient funds in your Account to satisfy amounts owing to Fusion Markets (including to maintain the Margin cover), Fusion Markets may cancel any outstanding Orders in order to close your Account;
- 6) satisfy obligations that you have to Fusion Markets out of any property belonging to you including, money or security in Fusion

Markets' custody or control including, without limitation, setting off obligations such that security transferred as collateral is not required to be returned but instead the value of them (as determined by Fusion Markets) is applied in calculation of the set-off of obligations and to enforce any asset or security held by Fusion Markets in such manner as it sees fit at your risk and expense;

7) transfer from your other accounts with Fusion Markets, if any, such funds as may be required for that purpose to satisfy any obligation you may have to Fusion Markets; and

8) exercise any power or right that Fusion Markets may have in accordance with these terms or in law or equity or take any other form of action as the holder of an Australian financial services licence (AFSL) may be required to take.

b) Fusion Markets does not forgo any of the rights outlined in this clause 12 incurred as a result of a delay in the exercise of such rights. If Fusion Markets does not exercise any of its rights, it reserves the right to do so at any time in the future.

c) If Fusion Markets exercises its rights under clause 12(a)(2) or 13 (or both), you authorise Fusion Markets to Close Out the CFDs, at your risk and expense as if you had given notice on the date that Fusion Markets exercises its right, in accordance with clause 7.

d) If Fusion Markets treats a CFD as having been terminated by you and Fusion Markets exercises its rights in accordance with clause 12(a)(3), Fusion Markets will calculate the amount owing by you or by Fusion Markets as if you had been given a Closing Notice and you had accepted the Closing Price determined by Fusion Markets in accordance with clause 7. Fusion Markets may debit from your Account an amount equal to the amount which would have been payable by you to Fusion Markets had the CFD been closed at the Closing Price. It is agreed that this amount represents a reasonable preestimate of the damages incurred by Fusion Markets.

e) Any action taken by Fusion Markets in accordance with this clause 12 does not limit any other provision of these terms and is without prejudice to any other rights which Fusion Markets may have to any other remedy or damages.

19.13 Position Closures

If any amounts payable by you to Fusion Markets in accordance with a CFD entered into under these terms exceed 50% of the Margin cover required with respect to that CFD, Fusion Markets will Close Out the CFD in accordance as if that event were a Default. This closure will occur in accordance with clause 12(c).

19.14 Illegality

If any event occurs which has the effect of making or declaring it unlawful or impracticable for Fusion Markets to offer or to maintain CFDs to you in accordance with the terms outlined in these terms, Fusion Markets may immediately terminate these terms by providing you written notice of that. A termination of these terms will also result in the closure of all CFDs in accordance with clause 12(c) as if it were a Default. Any such termination will not relieve you of any obligations you may have to Fusion Markets in accordance with these terms prior to its termination. For this clause, events include any change in law, regulation, treaty, order, official directive or ruling or in their interpretation or application by any governmental authority or agent, and the introduction, implementation, operation or taking effect of, any law, regulation, treaty, order or official directive or ruling.

19.15 Hedge Counterparty arrangements

In respect of each CFD entered into between you and Fusion Markets, Fusion Markets will use its best endeavours either to acquire the relevant Reference Asset or enter into a Hedge Contract with a Hedge Counterparty on terms that Fusion Markets determines reasonably corresponds with your CFD.

When you dispose of a CFD, Fusion Markets will try to dispose of the relevant Reference Asset or Close Out a corresponding Hedge Contract with the Hedge Counterparty, whichever is applicable.

15.3 Subject to clause 14 of the Terms, Fusion Markets is only liable to pay to you an amount under the terms of or in respect of a CFD to the extent that Fusion Markets itself receives an equivalent amount under the terms of or in respect of the Reference Asset or the Hedge Contract acquired in respect of the CFD. To the extent that the Hedge Counterparty fails to meet some or all of its obligations to Fusion Markets in respect of a corresponding Hedge Contract (including, for example, any obligation to make a payment or to return Margins paid by Fusion Markets in respect of the Hedge Contract), you release Fusion Markets

from its corresponding obligations to you in respect of the CFD to the same extent.

You acknowledge that if you acquire a CFD, you have no right to, or interest in, the Reference Asset or any Hedge Contract except only to the extent provided by these terms.

19.16 Termination of a CFD Contract

You acknowledge that Fusion Markets may terminate a CFD (apart from any other right to terminate) if:

- a) the Reference Asset ceases to be able to be traded on a relevant market or is subject to a trading suspension or trading halt for a period of more than two (2) Business Days;
- b) an Adjustment Event occurs and Fusion Markets determines that it is not reasonably practicable to make an adjustment to the terms of a CFD under this Schedule;
- (c) the relevant Hedge Contract, or Fusion Markets' rights under the relevant Hedge Contract or in respect of the relevant Reference Asset, are Closed Out, suspended or terminated by the Hedge Counterparty (which may occur automatically under the terms of any agreement between Fusion Markets and the Hedge Counterparty); or
- d) Fusion Markets considers, acting reasonably, that the Hedge Counterparty or issuer of the Reference Asset may not be able to meet its obligations to Fusion Markets under the terms of the Hedge Contract or Reference Asset or other contracts between Fusion Markets and the issuer of the Reference Asset or the Hedge Counterparty.

If Fusion Markets terminates a CFD under clause 16.1 or otherwise, Fusion Markets will determine a termination value, payable by Fusion Markets to you or by you to Fusion Markets, which Fusion Markets considers appropriate, acting reasonably, and having regard to the circumstances of termination, the value (if any) of the Reference Asset and the position as between Fusion Markets and the Hedge Counterparty in respect of the Hedge Contract. The termination will take effect at the time determined by Fusion Markets.
